About the College

MBS College, Dwarka is a leading professional institution affiliated with GGSIPU and approved by AICTE & CoA, committed to shaping future-ready professionals through quality education and practical exposure.

With over 15 years of academic excellence, the college offers industry-oriented programs in Engineering, Architecture, Management, and IT. The curriculum is designed to bridge the gap between theory and real-world application through workshops, internships, industry visits, and live projects.

The campus provides a modern learning environment with smart classrooms, advanced labs, design studios, and dedicated faculty mentorship. Students benefit from strong academic support, career guidance, and holistic development opportunities.

MBS College has consistently achieved up to 95% placement outcomes, supported by industry tie-ups and internship opportunities.

Located in the heart of Dwarka, New Delhi, the campus offers excellent connectivity, a safe environment, and a vibrant student life.

At MBS College, education goes beyond degrees- it's about building confident, skilled AI ready professionals for the future.
